## MUNICIPAL INFORMATION

### FORMS REGARDING THE 2025 MUNICIPAL ELECTIONS

Included with this year's tax bills is information on the municipal elections to be held on November 2, 2025. This information is for property owners and co-owners within Gore who are non-residents but wish to be included on the list of electors.

If you own multiple properties in different municipalities, it's important to verify on which list of electors you are registered and in what capacity. Even if you spend most of your time in Gore, your primary address for voting purposes may be listed elsewhere. Additionally, you may not be the designated elector for a property you co-own!

You can verify your registration by contacting Elections Quebec at 1-888-353-2846. The returning officer will also have this information available once the election period begins in September.

The forms included with the tax bills also allow *non-residents to participate in mail-in voting*. Please note that the special measure under COVID prevention procedures, which allowed seniors over 70 years old living within the municipality to vote by mail, no longer applies.

If you have multiple properties within Gore, you will be listed under your primary residence.

For any questions regarding the electors list or the upcoming elections, you can contact the returning officer at [schannell@cantondegore.qc.ca](mailto:schannell@cantondegore.qc.ca). Every vote is precious, so please do not hesitate to reach out to ensure you can cast your vote with ease.

### MUNICIPAL TAXES

Gore taxpayers have 30 days after the statement issue date to pay their taxes. They can also pay their tax bill in four interest-free installments when the total of the bill is at least \$300, provided that the payments are made on the due dates indicated on the tax bill.

**Here are the dates for the 2025 tax payments:**

- 1<sup>st</sup> installment March 20, 2025
- 2<sup>nd</sup> installment May 5, 2025
- 3<sup>rd</sup> installment July 7, 2025
- 4<sup>th</sup> installment October 6, 2025

Paying taxes in four interest-free installments is a privilege. Late payment of any of the installments will result in you depriving you of this privilege. The total amount of the tax notice then becomes payable immediately in order to avoid the accumulation of interest. In this case, the entire outstanding balance is then due and interest begins to be calculated from that date until full payment.

**PAYMENTS CAN BE MADE IN ONE OF THE FOLLOWING THREE WAYS:**

- 1. Payment at the municipal office:** Cash, debit card or check
- 2. Payment by check:** Please note that the check must be received at the municipal office by the due date, so take postal delays into account. Considering that forgetfulness is often a major factor in a late payment, we suggest that you send us post-dated checks for the 4 payments indicated on your tax account, thus eliminating the risk of accumulating interest unnecessarily.
- 3. Online payment** with your banking institution

# ENVIRONMENT

## ENVIRONMENT DAY

Environment Day will take place on May 24, at the Municipal Park and the Ecocentre. Stay tuned for our publications to find out all the details!

## LES TRÉSORS DU DÔME

Think of the Dôme during your spring cleaning! The Dôme will open its doors at the end of winter – stay tuned for our social media posts for the opening date.

In order to reduce the environmental footprint and provide the population with objects at a lower cost, the mission of the Dôme is to collect recyclable objects by giving them a second life for the benefit of the community. The values are social, environmental and community. The Dôme is affiliated with our Écocentre Les Bons Voisins.

Les Trésors du Dôme is happy to participate in the recovery of car seats for recycling purposes.

Don't throw your car seats in the trash anymore, bring them to the Dôme when we are open. While waiting for the Dôme to open this spring, the Écocentre de Saint-Jérôme accepts them free of charge.

For any questions or if you would like to contribute on site by giving a little of your time, contact us: [tresorsdudome@gmail.com](mailto:tresorsdudome@gmail.com).

## CALL TO THE YOUTH OF GORE Invitation to create a generational chair

### What's the Chair?

Prepared by the children and placed at the town council, the Chair reminds everyone that decisions taken today determine the world in which our children will live for generations to come. It acts as a beacon to help elected representatives and decision-makers stay the course on issues related to:

- preserving biodiversity
- reducing greenhouse gas emissions
- pollution prevention
- intergenerational environmental justice.

Would your elementary-aged child like to take part?

Join us on **March 16 from 8 a.m. to 12 p.m.** at the Gore Community Center to make the chair that will represent them for years to come.

If you have any questions, please contact [caroline.chamberland@usherbrooke.ca](mailto:caroline.chamberland@usherbrooke.ca)
