## A WORD FROM THE MAYOR

It is clear that nature has played tricks on us over the past month and we have been the victims of a huge storm that has damaged several houses, downed many trees and deprived our residents of electricity for many days. Some of you still do not have electricity as I write these lines.

First of all, I would like to thank our firefighters who have worked tirelessly to clear the dangerous trees that have fallen on our roads, patrol the territory to ensure everyone's safety and leave the fire station open so that citizens have a place to go for water, to take a shower or charge their phones. I would also like to thank the municipal staff who were there all weekend, even managing to make Environment Day a great success. Finally, I would like to thank all the Good Samaritans who helped their neighbors, offering their generator, their electricity and their time. It warms the heart to see the great solidarity that exists in our community.

I was very impressed to see that our small municipality, despite the power outages and the storm, responded "Present" for Environment Day, a star event of our year. Councillors Anik Korosec and Sakina Khan, despite the fact that they themselves were struggling with the outage, contributed greatly to the success of the day. I am proud of our team of councillors. They took turns at the community center to ensure a presence throughout the outage.

I reiterate that it is important to register for the Telmatik service (by calling City Hall or by going to our website) in order to be kept informed at all times of the measures taken within our municipality.

I hope everyone will have electricity again soon.

As always, you can reach me on my cell at **514 941-2224**.

Your mayor  
**Scott Pearce**

# NEWS OF BEATTIE PARK

The park was greatly affected by the storm and we are working hard to reopen all hiking trails. We will keep you posted on the Park's Facebook: [www.facebook.com/parcNatureLacBeattie](http://www.facebook.com/parcNatureLacBeattie). We are in the process of increasing the number of parking spaces in the park and soon we will be offering paddle board rentals.

Access to the lake is open and so is fishing! Here are the main species of fish present in Lac Beattie (in addition to the traditional sunfish and fallfish). There is also speckled trout stocked last year. At the beginning of June, we will stock the lake with rainbow trout.

## Main species - 2022 fishing opening dates – ZONE 9

### Principales espèces - Dates d'ouverture de la pêche 2022 – ZONE 9

	<b>Achigan à petite bouche – smallmouth bass</b> <b>15 juin au 30 novembre</b> <i>Quantité maximale : 6</i>
	<b>Grand brochet – Northern pike</b> <b>20 mai au 30 novembre</b> <i>Quantité maximale : 6</i>
	<b>Truite arc-en-ciel – Rainbow trout</b> <b>22 avril au 11 septembre</b> <i>Quantité maximale : 10</i>
	<b>Perchaude – Yellow perch</b> <b>22 avril au 30 novembre</b> <i>Quantité maximale : 50</i>

### Staff wanted

We are looking for park attendants (full or part time, for the summer or year round) to start at the end of JUNE. If you are passionate about nature, have experience working with the public and want to help make a difference in our community, send your resume to Julie Boyer at City Hall before June 15: [jboyer@cantondegore.qc.ca](mailto:jboyer@cantondegore.qc.ca).

## LES SENTIERS DE GORE

### FREE ONLINE STREAMING OF OUR MOVIE

The documentary *Le Triomphe de la nature: Margaret Cook et les pionniers de Gore* will be made available for on-line streaming on our website [lessentiersdegore.com](http://lessentiersdegore.com) during the entire weekend of June 11<sup>th</sup>-June 12<sup>th</sup>.

The movie revisits the history of our region through the writings of Margaret Cook (1897-1975), author of the novel of historical fiction *Land Possessed* in 1969 and whose biography has just been published.

### TRAIL MAINTENANCE DAY – JUNE 18 AT PARC DENOMMÉ

Les Sentiers de Gore invites you to participate in a trail maintenance day on Saturday, June 18<sup>th</sup> at Parc Denommé. Meeting time is 9:00 am on site (parking on Densa Rd.). In case of rain, the maintenance day will be postponed to Sunday. Bring your tools (loppers, shovels, pickaxe, rakes etc., depending on what you have at home) as well as gloves and a bottle of water. We look forward to working with you!

To stay informed of our next activities, subscribe to our newsletter by visiting our website [www.lessentiersdegore.com](http://www.lessentiersdegore.com).

# MUNICIPAL INFOS

## NEW DATE FOR THE WATER TESTS: WEDNESDAY JUNE 8

On Wednesday, June 8, you can bring your water samples to City Hall for the Water Tests at H2LAB. We will bring them to H2LAB on June 9<sup>th</sup>. Exceptionally, we will be present at the town hall until 7 p.m. to receive your water tests.

If this date does not suit you, we are sorry for the inconvenience and we invite you to take your samples yourself to H2LAB in Sainte-Agathe.

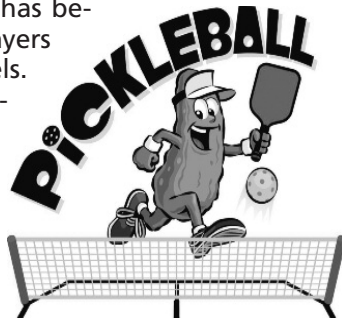

## SEPTIC SYSTEM UPGRADES

To protect our natural environments it is essential to ensure that your septic systems are compliant and properly maintained. Since 2015, the Municipality's By-law R-189 requires the upgrading of all non-compliant systems such as sumps, metal or wooden septic tanks and any other system with contaminating potential.

Inspections will be conducted to ensure that obsolete septic systems are replaced as soon as possible. A tax credit (Revenu Québec) could be available to citizens who do their septic renovations. Anyone who contravenes this By-Law is subject to fines, starting at \$500.

## PICKLEBALL HAS ARRIVED IN GORE!

This fast growing game has become all the rage for players of all ages and skill levels. Rules for pickleball are simple, making it a great introductory sport. It can also be quite the challenging, fast-paced, and competitive game when people become more experienced at playing.

Last fall, through the hard work of Julie Boyer and Jodi Anker, the entire rink of the park was resurfaced, new lines were painted, and 3 pickleball nets, many pickleball paddles and balls were purchased.

Currently there are approximately 10 people playing on a regular basis...Gore is looking to expand the program.

A storage box containing nets, paddles and balls has been installed just outside the chalet at the park. To access the equipment, please call the Gore municipal office at 450 562-2025.

For more information, please contact Rhona at [rhonasam@gmail.com](mailto:rhonasam@gmail.com). See you on the court!!

## Upcoming city council meetings

- Monday June 6, 2022
- Monday July 4, 2022
- Monday August 1, 2022
- Tuesday September 6, 2022
- Monday October 3, 2022
- Monday, November 14, 2022
- Monday 5 December 2022

*\* Please note that all regular council meetings start at 8 p.m.*

## GENERAL STORE PROJECT IN GORE - CALL FOR CITIZEN INVOLVEMENT

Most of you have seen the announcement of the survey results, pathways, and means and next steps for the upcoming opening of a general store in Gore. The reactions are positive, which suggests an active citizen participation in support of the project, which is essential for it to take form.

You haven't had a chance to see and go through the results yet? Visit the Corporation citoyenne de développement socio-économique de Gore Facebook page at: [www.facebook.com/groups/319741660080073](https://www.facebook.com/groups/319741660080073).

### Some of the key steps to follow are:

1. The creation of the first board of directors;
2. The determination of the legal form;
3. The choice of a name for the general store;
4. Registration of the NPO with the Registraire des Entreprises du Québec or the ministère de l'Économie et de l'Innovation according to the legal form chosen;
5. Site/location selection;
6. Writing of the business plan and communications plan.

The first decisive step is the formation of the first board of directors that the team of the Corporation citoyenne de développement socioéconomique de Gore will support throughout the process until the opening of the store. From the development of the business plan, to the search for funding, to training, to the search for suppliers, we will be there.

### Show interest in getting involved!

Anyone wishing to get involved and to put their skills to use in our community is asked to contact CCDSGore by email at [ccdsgore@gmail.com](mailto:ccdsgore@gmail.com) or by phone at 514 243-4590 (contact information of Mr. Pier Blais, representative of the Corporation). We are currently looking for candidates interested in joining the Board of Directors.

As citizen participation is essential to the establishment and success of the project, we hope to count on your involvement!

**Conférence GRATUITE sur la conservation**

**Les milieux humides et hydriques, une richesse à conserver !**

**20**

**juin  
2022  
18h30**

A conference (in French) given by Éco-corridors laurentiens on voluntary conservation tools and the steps to follow. A discussion with local conservation organizations who can help you in your efforts. A privileged moment to chat over a snack and a coffee.

**DATE:** June 20, 2022 • **TIME:** 6:30 p.m. to 8:30 p.m. • **LOCATION:** MRC d'Argenteuil, 430 Grace Street, Lachute (QC) J8H 1M6

**FREE REGISTRATION:** By phone: leave a message at 450 565-2987 ext. 21 and we will call you back.

## PROVINCIAL COMMON RAGWEED ERADICATION CAMPAIGN 2022

For a second consecutive year, the Municipality is participating in the ragweed eradication program launched by the Quebec Lung Association. By establishing different action and awareness strategies, it is possible to significantly reduce the quantity of pollen emitted and thus reduce the effects of allergies in the population. We therefore encourage the population to participate in the eradication of this invasive plant by following these good practices:

### Recognize ragweed:

- The leaves are sharply divided, uniformly green on both sides;
- The upper stems terminate in cylindrical spikes of flowers and are yellowish green;
- The stem is firm, hairy and greyish green which turns red when flowering;
- The roots are short and easy to pull up.

### Ragweed or poison ivy?

**Poison ivy:** Found mostly in wooded areas. Contact with the skin immediately causes itching due to an oil (urushiol) which, when exposed to the skin, is responsible for the painful inflammation.

**Common ragweed:** Safe to touch and can therefore be pulled out without any consequence or skin flares. The seeds can persist over 40 years in the soil!

### Eradicating common ragweed:

- Uproot this weed before its pollination period (late July, early August). It is necessary to remove the entire root system of the plant in order to effectively eradicate it.
- Educate the people around you about the importance of invasive plants.

For more information, please do not hesitate to contact environmental services!

### SUPPORT FOR CAREGIVERS OF SENIORS

Do you give your time to help a significant other, either a spouse, a family member or a loved one? Yes, then you are a caregiver!

Do you need equipping yourself for the task?

To be listened to and to share your difficulties in complete confidentiality?

Do you feel the weight of this responsibility in your daily life?

Are you exhausted?

Individual meetings, by appointment, will be offered at Hammond Rodgers Mille-Isles Park, starting Monday, May 9<sup>th</sup> (one day per month) for people from Mille-Isles and the surrounding area.

Anyone with questions or wishing to register is invited to contact Francis Lavigneur, senior caregiver advisor at **450 562-7447**.  
**Extension 233.**

CENTRE  
D'ACTION  
BÉNÉVOLE

Do you have a talent for visual art or singing and would like to collaborate with a volunteer initiative in the region? *Un Pas Dans Ta brume* is looking for visual artists to illustrate upcoming unreleased songs and singers to perform them. It interests you? Write to us at [unpasdanstabrume@gmail.com](mailto:unpasdanstabrume@gmail.com)! **Manager:** Émilie Lavigne

The *Un pas dans ta brume* project is a volunteer citizen initiative using music and art to raise awareness of mental health issues, in partnership with psychosocial organizations in the Laurentians region, and more particularly in Argenteuil.

Visit our Facebook page *Un pas dans ta brume* for more information and to subscribe.

## COMMUNITY GARDEN OPENING DAY

On Saturday, **June 4, starting at 9:00 am**, our community garden will have its annual opening. Again this year we are planning a wonderful variety of fruits and vegetables, herbs and edible flowers. Don't forget your gardening tools (shovel, gloves, hat, rake, etc.), a bottle of water and your cheerfulness to participate in our beautiful project. A Facebook group is available for all residents who wish to get involved and learn more about harvest dates and maintenance schedules.
