Fishing initiation day at Beattie

This year, the municipality will participate in the *Pêche en Herbe* program for the first time, thanks to obtaining a subsidy. This program is a presentation of the Quebec Wildlife Foundation, with the support of its main partner, Canadian Tire, and in collaboration with the Ministry of the Environment, the Fight against Climate Change, Wildlife and Parks through a special contribution from the sale of sport fishing licenses.

Promote the development of the next generation of fishermen

The *Pêche en herbe* program allows young people aged 6 to 17 to experience a day of introduction to sport fishing. It is around Beattie Lake that they will discover the basics of fishing, from fish biology to the responsibilities of a good fisherman.

All young initiates will receive their *Pêche en herbe* certificate, which serves as a fishing license valid until they turn 18. This activity is completely free. Each young person registered will also receive free fishing equipment. Registration required at info@cantondegore.qc.ca. **Limited places.**

Location: Lake Beattie Nature Park

Date: June 9, from 9 a.m. to 3 p.m.

Community lunches Thank you to the volunteers !

The municipality would like to highlight the important contribution of our volunteers who are always present at community lunches. For over a year now, the "lunch ladies" have been creating incredible meals for our community.

Thank you from the heart !
